

Driver Platform Agreement

Terms for drivers earning with wrapped vehicles

AdRide.us

Effective: 2026

DRAFT TEMPLATE -- This document is a starting template only. Have a licensed attorney review and finalize it before use.

1. The Program

AdRide.us ("AdRide", "we") connects drivers ("Driver", "you") with brand advertising campaigns. As a Driver, you display an approved brand wrap or decals on your vehicle and drive your normal routes in exchange for monthly payments. There are never any upfront costs to join.

2. Eligibility

To participate you must:

- Hold a valid driver's license and vehicle registration.
- Maintain legally required auto insurance for the registered vehicle.
- Own or have authorized use of the vehicle you register.
- Submit clear photos of the vehicle (front, back, left, right) plus your license and registration.

3. Compensation

Drivers earn monthly payments for active campaigns: sticker placements from \$200/month per vehicle equivalent share; full-wrap placements at the campaign rate for your vehicle class. Payments are issued monthly for each full month the wrap remains installed and verified. No payment is owed for partial months unless agreed.

4. Your Responsibilities

You agree to:

- Keep the wrap clean, intact, and fully visible; report damage within 48 hours.
- Drive your normal routes; no minimum mileage is required unless your campaign states one.
- Submit verification photos when requested (install, checkpoints, removal).
- Not alter, cover, or remove the wrap except through AdRide's removal process.
- Maintain valid license, registration, and insurance for the entire campaign term.

5. Independent Contractor

You participate as an independent contractor, not an employee of AdRide or the Advertiser. You are responsible for your own taxes, insurance, fuel, and vehicle maintenance.

6. Removal & Termination

At campaign end, AdRide coordinates professional removal at no cost to you. Either party may end participation with 30 days' notice; AdRide may end participation immediately for wrap tampering, lapsed insurance, or misrepresentation.

7. Liability

AdRide is not liable for wear to vehicle paint or finish beyond normal expectations of professional wrap installation and removal, nor for indirect or consequential damages. Our total liability is limited to one month's driver payment.

9. Governing Terms

This is a draft template provided for convenience. It does not constitute legal advice. AdRide.us will finalize governing law, dispute resolution, and entire-agreement terms with counsel. Questions: contact AdRide through adride.us.
